We appreciate that not all art forms lend themselves to a walled exhibition stand so please contact us for details of how we can assist you in presenting your work. If you are applying on behalf of an arts charity please contact us before submitting your application.

Exhibition stand prices are all inclusive so there are no hidden extras. Each stand comes complete with gallery standard lighting plus venue house lights, wi-fi, an individual power supply for laptops etc, chairs, a trestle table (these tables are not suitable for Option 1 or 2 due to their size) hanging system (shell scheme only), PR assistance, wrapping service and storage area.

Please give a brief description of the work you hope to exhibit:

I understand that I am fully responsible for the insurance of my artwork and other belongings against theft or damage whilst in transit, on display at Aberdeen Art Fair either on my stand or in public display areas or being handled by wrappers or porters. Public liability will be covered by GM Events for the overall running of the fair but we advise that you still have back up. We ask that you submit this application form only if you are available to exhibit at the event and that you understand a deposit invoice will be sent to you if your application is successful.

I agree to the Aberdeen Art Fair terms and conditions (please tick)
